

CERAMIC FOUNDATION RESIDENCY APPLICATION

This residency program is open to artists looking to further their artistic and professional careers and gain experience in a working studio environment. In addition to artistic development, residents will learn about the operation of a large studio by contributing to the studio's daily maintenance. Responsibilities may include mixing glazes, firing kilns, and ensuring the studio is kept neat and orderly. This residency is ideal for artists who have recently completed their undergraduate or graduate degrees, who thrive in a shared, communal studio environment, and are preparing for the next step in their professional pursuits.

PLEASE TYPE OR PRINT CLEARLY

Applications must be either submitted through email by **March 1st at 11:59 PM CST** or postmarked by March 1st for physical applications.
